GATEWAY TO SUCCESS

**New first-year students,
Gateway to Success (GTS)
is designed for you!**

Gateway to Success is a compulsory two week introductory programme for all new first year students at Wits. It is a holistic orientation programme that helps 1st year students transition into university. It integrates academic skills, student life skills and, health and wellness. It will be run in a blended format, with some activities taking place on campus and some being run in an online mode.

Academic skills components include workshops such as digital skills, academic writing, academic integrity and Wits' online learning platform, Ulwazi, as well as faculty-specific offerings. On-campus activities cover student wellness, holistic personal development and support, appreciation of diversity, culture, social responsibility, and community-building.
